An Immersive Evening of Music, Wine & Community

As the sun sets over Jensen Botanical Garden, Dinner in the Park brings together music, wine, and community for a truly enchanting evening in support of youth scholarships and enhancing Carmichael's parks so they remain vibrant, welcoming spaces for generations to come.

We welcome you beneath the trees.

Sashimi, clever maki & Japanese kitchen entrees served in contemporary digs with sushi bar seating.

Our mission is to satisfy the recreational needs of the community by providing a wide range of facilities and opportunities to enrich the quality of life.

The Carmichael Recreation and Park District, established in 1945 is a dependent special district and chartered by the County of Sacramento to manage park land and provide recreation opportunities to Carmichael and Sacramento County area residents.

District boundaries include a population of approximately 52,000 residents and features 13 park sites; 11 fully developed parks, a 36-acre community center at the former La Sierra High School, Jensen Botanical Garden that is nearly 50 years old, and a 17-acre nature area called Schweitzer Grove.

The Carmichael Recreation and Park District is located within District 3 of the County of Sacramento and represented by Supervisor Desmond. The County Board of Supervisors appoints a 5 member Advisory Board of Directors as the executive decision-making body for the District.
